CHARLOTTE COLLEGE

SENIOR INSTITUTION
on Highway 49,
Charlotte, North Carolina

IN MEMORIAM

J. MURREY ATKINS

During a year of many achievements for Charlotte College the death of J. Murrey Atkins cast a shadow of great loss. The students of Charlotte College, who have been the beneficiaries of Mr. Atkins efforts would like to add their voices of accord to the following resolution.

As chairman of all of its official boards, J. Murrey Atkins served as a forceful spokesman for Charlotte College from the very infancy of this institution. In 1949, as chairman of the Charlotte Board of School Commissioners, Murrey Atkins was chiefly instrumental in securing legislation which established Charlotte College as a part of the Charlotte City School System. He was named chairman of the Advisory Committee appointed to direct and operate the college. In 1958 he was elected chairman of the first official Board of Trustees of the Charlotte Community College System. In 1963, when Charlotte College became a senior, state-supported college and a new Board of Trustees was appointed, Murrey Atkins was again chosen as chairman, a position which he held until his death. With the interest of the college deep in his heart, he represented its needs and its aims to the community, to the legislature, and to the Board of Higher Education. His interest, his enthusiasm, and his devotion were constantly and unsparingly dedicated to the advancement of Charlotte College.

At the same time that he gave calm, wise, and effective leadership in the political and financial establishment of Charlotte College, always foremost in his mind was the essential, high purpose of the institution. The breadth and depth of the educational character with which Charlotte College is endowed, and with which it is privileged to grow, is a reflection of his wishes and the image of his dream.

To him Charlotte College was always more than an idea on paper, more indeed than an expanding aggregation of buildings on land. It lived for him as people: students, faculty, and staff. His thoughts of the college were abidingly warm, personal thoughts of its people.

The faculty of Charlotte College expresses its profound gratitude not only for what he brought to fruition but also for the heritage which he has left us, a vibrant legacy of faith and work. The faculty also resolves to build well on this foundation, and to strive steadfastly toward the fulfillment of the ideals which J. Murrey Atkins held.

ILITIES TO ACCOMPANY OPPORTUNITY ...

"In addition to our present facilities, we are asking for a Fine Arts Building, an Auditorium, and a Gymnasium, so that we will have a well-rounded educational program."

—Bonnie Cone
